

Chess at Challenge Foster City

Time: 4.45pm – 5.45pm

Dates: Thursdays, April 19 to June 7, 2007 (8 classes)

Fee: \$120

The Berkeley Chess School is pleased to teach chess to the students of the Challenge School in Foster City. Chess is fun and can be learned quickly and easily. Studies have found that the hidden rewards for students of chess are surfacing on test results in reading, science and math and on growth in critical cognitive abilities. Beyond academia, chess influences social behavior, including self esteem, respect for others, patience and good manners.

The Berkeley Chess School (BCS) is non-profit, and has been offering chess instruction from elementary through high school for 25 years. Former Irish Chess Champion Elizabeth Shaughnessy started the program. Over the years our students have won numerous national and state championships and some have gone on to become Masters, FIDE Masters and International Masters. In recognition of the success of BCS teaching methods, the U.S. Chess Federation has recently chosen to form a partnership with BCS to further scholastic chess in California.

Boards and sets are provided for our classes. The first child in a family pays full price, additional siblings are given 10% discount. *Students at all levels of skill are welcome!* The class minimum is 10 and maximum is 20. Enrollments are accepted in the order received. We will call only if the class is full and we cannot accept more enrollments. Otherwise, registered students will not receive enrollment confirmation. You can reach Berkeley Chess at **510-843-0150** or email bcsschool#pacbell.net
